FORM OF ORDER FOR POLE LOCATIONS.

IN BOARD OF SELECTMEN FOR THE TOWN OF Chelmsford, MASSACHUSETTS:

ORDERED:

Notice having been given and a public hearing held as provided by law, that The New England Telephone and Telegraph Company of Massachusetts be and it is hereby granted a location for and permission to erect and maintain poles and wires to be placed thereon, together with such sustaining or protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to, as requested in petition of said company dated the 12th day of June, 1917

All construction under this order shall be in accordance with the following conditions:

Poles shall be of sound timber, and reasonably straight, and shall be set substantially at the points indicated upon the plan marked #67-Chelms. Proposed pole location of N.E.T. and T. Co. Dated 6/11/17

to be filed with this order. There may be attached to said poles not to exceed 2 cables and all of said wires shall be placed at a height of not less than 18 feet from the ground.

The following are the public ways or parts of ways along which the poles above referred to may be erected, and the number of poles which may be erected thereon under this grant:

Middlesex Street near Adams Street, 1 pole

Form 421k 1M-11-14 S.

Order upon Joint Petition of The Bay State Street Railway Company

AND

THE LOWELL ELECTRIC LIGHT CORPORATION.

For Joint or Identical Location of Poles.

Town of Chelmsford

March 16 1918

IN BOARD OF SELECTMEN,

ORDERED; Notice having been given and a Public hearing held as provided by law, that the Bay State Street Railway Company, and The Lowell Electric Light Corporation. be and are hereby granted 2 joint or identical location s for and permission to erect and maintain 2 joint pole s and their respective wires and fixtures to be placed thereon, together with such sustaining and protecting fixtures as the business of either of said companies may require, as follows, and as requested in their Petition dated February 9, 1918

On the westerly side of Gorham Street near the Chelmsford-Billerica Town Line, two (2) poles.

4

The said pole s to be located substantially as shown on plan numbered 94640 on file with this Board

There may be attached to said pole s by The Lowell Electric Light Corporation not to exceed ..... wires, and by said Bay State Street Railway Company such wires as may from time to time be necessary in the transaction of its business.

I hereby certify that the foregoing Order was adopted after due notice and a public hearing, as prescribed by Chapter 509 of the Acts of 1911; to wit, after written notice of the time and place of the hearing mailed by the Selectmen at least seven days prior to the date of the hearing to all owners of real estate abutting upon that part of the way or ways upon, along, across or under which the lines are to be constructed under said Order, as determined by the last preceding assessment for taxation, and a public hearing held on the 16th day of March 1918, at Town Hall in the said Town.

D. Frank Linnell

Chairman of the Board of Selectmen.

I hereby certify that the foregoing is a true copy of the Order of the Board of Selectmen of the Town of Chelmsford duly adopted on the 16th day of March 1918 and of the Certificate of Notice and Hearing thereon required by Chapter 509 of the acts of 1911, as recorded in the location records of the said Town, Book, 3 Page 4

FORM OF ORDER FOR POLE LOCATIONS.

IN BOARD OF SELECTMEN FOR THE TOWN OF Chelmsford, MASSACHUSETTS:

ORDERED:

Notice having been given and a public hearing held as provided by law, that The New England Telephone and Telegraph Company of Massachusetts be and it is hereby granted a location for and permission to erect and maintain poles and wires to be placed thereon, together with such sustaining or protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to, as requested in petition of said company dated the 12th day of Dec., 1919

All construction under this order shall be in accordance with the following conditions:

Poles shall be of sound timber, and reasonably straight, and shall be set substantially at the points indicated upon the plan marked #74-Chl. Proposed pole location of N. E. T. and T. Co. of Mass. Dated 12/10/19

to be filed with this order. There may be attached to said poles not to exceed

12 open or 6 paired wires and all of said wires

shall be placed at a height of not less than 18 feet from the ground.

The following are the public ways or parts of ways along which the poles above referred to may be erected, and the number of poles which may be erected thereon under this grant:

Mt. Pleasant Street from Depot Street to approximately 350 ft. west
1 pole

Town Clerk.

We hereby certify that on Jan 5th, 1920, at 8 o'clock, P. M., at Town Hall, a public hearing was held on the petition of The New England Telephone and Telegraph Company of Massachusetts for permission to erect the poles, wires and fixtures described in the order herewith recorded, and that we mailed at least seven days before said hearing a written notice of the time and place of said hearing to each of the owners of real estate (as determined by the last preceding assessment for taxation) along the ways or parts of ways upon which the company is permitted to erect poles, wires and fixtures under said order. And that thereupon said order was duly adopted.

Justin L. Moore
William E. Belleville

I hereby certify that the foregoing is a true copy of a location order and certificate of hearing with notice, adopted by the Board of Selectmen of the Town of Chelmsford, Massachusetts, on the 5th day of Jan., 1920, and recorded with the records of location orders of said Town, Book 3, Page 50. This certified copy is made under the provisions of Chapter 509, of the Acts of 1911, and any additions thereto or amendments thereof.

Order Upon Joint Petition of Eastern Massachusetts Street Railway Company

THE LOWELL ELECTRIC LIGHT CORPORATION

AND

THE NEW ENGLAND TELEPHONE & TELEGRAPH COMPANY OF MASSACHUSETTS.

For Joint or Identical Location of Poles

TOWN OF Chelmsford

19

IN BOARD OF SELECTMEN,

ORDERED: Notice having been given and a public hearing held as provided by law, that Eastern Massachusetts Street Railway Company, The Lowell Electric Light Corporation,

and The New England Telephone & Telegraph Company of Massachusetts

be and are hereby granted joint or identical location for and permission to erect and maintain 4 joint poles with such wires and fixtures thereon as may be necessary from time to time in the transaction of their business, as follows, and as requested in their Petition dated Nov. 19 19 20.

The said poles to be located substantially as shown on plan numbered D44-492

on file with this Board.

99

I hereby certify that the foregoing Order was adopted after due notice and a public hearing, as prescribed by Chapter 509 of the Acts of 1911, and any amendment thereto; to wit, after written notice of the time and place of the hearing, mailed by the Selectmen at least seven days prior to the date of the hearing, to all owners of real estate abutting upon that part of the way or ways upon, along, across or under which the lines are to be constructed under said Order, as determined by the last preceding assessment for taxation, and a public hearing held on the 29th day of January, 1921 at Chelmsford Town Hall in the said Town.

William E. Bellerille

Chairman of the Board of Selectmen

I hereby certify that the foregoing is a true copy of the Order of the Board of Selectmen of the Town of Chelmsford duly adopted on the 29 day of January 1921, and of the Certificate of Notice and Hearing thereon required by Chapter 509 of the Acts of 1911, and any amendment thereto, as recorded in the location records of the said Town, Book 3 Page 99.

FORM OF ORDER FOR POLE LOCATIONS.

IN BOARD OF SELECTMEN FOR THE TOWN OF Chelmsford, MASSACHUSETTS:

ORDERED:

Notice having been given and a public hearing held as provided by law, that The New England Telephone and Telegraph Company of Massachusetts be and it is hereby granted a location for and permission to erect and maintain poles and wires to be placed thereon, together with such sustaining or protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to, as requested in petition of said company dated the 29th day of April, 1921

All construction under this order shall be in accordance with the following conditions:

Poles shall be of sound timber, and reasonably straight, and shall be set substantially at the points indicated upon the plan marked #83-Chl. Proposed pole location of N.E.T. and T. Co. of Mass. Dated 4-28-21

to be filed with this order. There may be attached to said poles not to exceed 12 open or 6 paired wires and all of said wires shall be placed at a height of not less than 18 feet from the ground.

105

The following are the public ways or parts of ways along which the poles above referred to may be erected, and the number of poles which may be erected thereon under this grant:

Warren Avenue east of Third Avenue, 1 pole

CERTIFICATE.

We hereby certify that the foregoing Order was adopted after due notice and a public hearing, as prescribed by chapter 509, of the Acts of 1911; to wit, after written notice of the time and place of the hearing, mailed at least seven days prior to the date of the hearing, by the selectmen to all owners of real estate abutting upon that part of the way or ways upon, along, across or under which the line is to be constructed under said Order, as determined by the last preceding assessment for taxation, and a public hearing held on the 27th day of Aug. 1921, at Selectmen's Office in said town.

Signatures of Selectmen:

William E. Bellerille
George Rigby

CERTIFICATE.

I hereby certify that the foregoing is a true copy of the Order of the Board of Selectmen of the town of Chelmsford duly adopted on the 27th day of Aug. 1921, and of the Certificate of notice and hearing thereon required by Chapter 509 of the Acts of 1911, as the same appear of record.

Attest: ..... *Clerk of the Town of* Chelmsford

FORM OF ORDER FOR WIRE ATTACHMENTS

In Board of Selectmen for the Town of North Chelmsford, Massachusetts:

ORDERED:

That The Lowell Electric Light Corporation be and it is hereby granted permission to erect and maintain wires and fixtures, together with such sustaining or protecting fixtures as it may deem necessary, upon poles of the Eastern Massachusetts Street Railway Company heretofore located in the public way or ways hereinafter referred to and shown upon plan marked "C-2514" to be filed with this order, as requested in petition of said The Lowell Electric Light Corporation and the said Eastern Massachusetts Street Railway Company dated the 9th day of August, 1921.

There may be attached to said poles by said The Lowell Electric Light Corporation not to exceed Ten (10) single wires and all of said wires shall be placed at a height of not less than 25 feet from the ground.

The following are the ways or parts of ways along which the poles above referred to have been erected, and the number of poles to which attachments may be made under this grant.

FORM OF ORDER FOR JOINT LOCATIONS FOR POLES ALREADY EXISTING.

IN BOARD OF SELECTMEN FOR THE TOWN OF Chelmsford MASSACHUSETTS:

ORDERED:

That The New England Telephone and Telegraph Company of Massachusetts and the Lowell Electric Light Corp. Company, both having locations in certain of the streets of the town, be and they are hereby granted a joint or identical location for, and permission jointly to maintain a line of poles already existing, and their respective wires and fixtures to be placed thereon, together with such sustaining or protecting fixtures as the business of either of said companies may require, in the public way or ways hereinafter referred to, as requested in petition of said companies dated the 3rd day of October, 192 1.

All construction work under this order shall be in accordance with the following conditions:

Poles shall be of sound timber, and reasonably straight, and shall be maintained at the points indicated upon the plan marked #88-Chelms. Proposed JO locations of The Lowell Elec. Light Corp. and N.E.T. & T. Co. of Mass. 6-24-21 filed with this order. There may be attached to said poles by said The New England Telephone and Telegraph Company of Massachusetts not to exceed 5 paired wires and by the said The Lowell Elec. Light Corporation Company not to exceed 10 wires and all of said wires shall be placed at a height of not less than 18 feet from the ground.

The following are the public ways or parts of ways along which the poles above referred to are located, and the number of such poles.

FORM OF ORDER FOR POLE LOCATIONS.

IN BOARD OF SELECTMEN FOR THE TOWN OF Chelmsford, MASSACHUSETTS:

ORDERED:

Notice having been given and a public hearing held as provided by law, that The New England Telephone and Telegraph Company of Massachusetts be and it is hereby granted a location for and permission to erect and maintain poles and wires to be placed thereon, together with such sustaining or protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to, as requested in petition of said company dated the 29th day of Sept. 1921, 191

All construction under this order shall be in accordance with the following conditions:

Poles shall be of sound timber, and reasonably straight, and shall be set substantially at the points indicated upon the plan marked #89-Chl. Proposed pole location of N.E.T. and T. Co. of Mass. Dated 9-26-21

163

to be filed with this order. There may be attached to said poles not to exceed 12 open or 6 paired wires and all of said wires shall be placed at a height of not less than 18 feet from the ground.

The following are the public ways or parts of ways along which the poles above referred to may be erected, and the number of poles which may be erected thereon under this grant:

Warren Avenue east of Third Street, 1 pole location
1 location to be abandoned

Mass. Form 7 1m 14044 ccc

I hereby certify that the foregoing order was adopted at a meeting of the Board of Selectmen of the Town of Chelmsford, Massachusetts, held on the 13th day of Oct., ~~191~~-1921

Justin L. Moore
Clerk of Selectmen.

Chelmsford, Massachusetts. Oct. 13, ~~191~~-1921

ATTEST:
Justin L. Moore
Town Clerk.

We hereby certify that on Oct. 13, ~~191~~-1921 at 2 o'clock, P. M., at Town Hall, a public hearing was held on the petition of The New England Telephone and Telegraph Company of Massachusetts for permission to erect the poles, wires and fixtures described in the order herewith recorded, and that we mailed at least seven days before said hearing a written notice of the time and place of said hearing to each of the owners of real estate (as determined by the last preceding assessment for taxation) along the ways or parts of ways upon which the company is permitted to erect poles, wires and fixtures under said order. And that thereupon said order was duly adopted.

George W. Day
George Rigby

I hereby certify that the foregoing is a true copy of a location order and certificate of hearing with notice, adopted by the Board of Selectmen of the Town of Chelmsford, Massachusetts, on the 13th day of Oct, ~~191~~-1921, and recorded with the records of location orders of said Town, Book 3, Page 163 This certified copy is made under the provisions of Chapter 509, of the Acts of 1911, and any additions thereto or amendments thereof.
